

VirginiaTech

The Center for the Arts/ Creative Technologies

Virginia Polytechnic Institute & State University – Blacksburg, VA

Holder Construction Company invites all interested trade contractors to attend an information session for the Center for the Arts/ Creative Technologies project. Identical material will be presented at each non-mandatory session including: Prequalification, SWaM participation, and Bidding Timelines & Requirements.

Project Information Sessions VT Center for the Arts/ Creative Technologies

Invited: All Interested Trade Contractors

**Date: Tuesday, July 20, 2010
3:30PM & 6:30PM**

Location: The Inn at Virginia Tech
901 Prices Fork Road, Blacksburg, VA
Assembly Hall

The Virginia Tech Center for the Arts/ Creative Technologies will be a 140,000SF facility at the corner of Main Street & Alumni Boulevard in Blacksburg. The project consists of a complete renovation of the existing 55,000SF Shultz Hall, a new 80,000 performing arts wing, and a new 5,000SF collaborative performance lab. Designed by STV Group, Inc. and Snøhetta, it will include a 1,300-seat state-of-the-art performance hall, visual arts galleries, and creative technologies laboratory space. Construction begins in Summer 2010 with completion in 2013.
